NEWSLETTER SUMMER 2025

SUMMER BY WATER

What is a better time to play with water than in summer? Thus, we kicked off our **summer fun** on hot summer days with water adventures - pools, sponges, bubbles, hoses and water pipes kept us happy, busy, and cool 😊 We also tasted a splash-day at **Zlaté Piesky** and explored water life.

SUMMER IN MOUNTAINS

To get fresh air and cool down a bit, we packed up and set a course to nearby forests for camping and hiking. We accepted a challenge to conquer **Pajštún** castle and barbecued in **Železná studienka**. We could admire beautiful views and enjoy well-deserved picnic.

SUMMER WITH ANIMAL FRIENDS

Our animal adventure started in **ZOO**. Taking a ride on a mini train, we got lucky and spotted wildlife animals even in the heat of summertime. The real-like **farm** was another stop on our journey of learning about animals. We checked on the domestic animals and understood why we keep chicks, ducks, pigs, cows or goats. And found a new friend – sheep pet. **Pet show** was another opportunity to learn about animals. This time, it was all about our lovely, charming pets we have at home.

SPORTY SUMMER

As always, summer in our kindergarten is also about running, jumping, skipping and rolling in the garden. Staying in move keeps us busy and entertained. Also, this year, we enjoyed **cycling** and **tennis** and deserved medals in kindergarten “**Olympic**” disciplines.
