FEBRUARY 2026

We are happy to introduce you our new FranCIS logo 🥳

## HUMAN BODY FACTORY

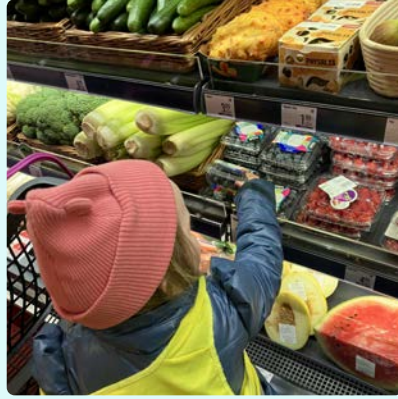

At the beginning of February, our classrooms changed to discovery labs 🧪 and we got busy by exploring exciting human body factory 🏭. We learned that heart ❤️ is a little life engine and brain 🧠 stands as a control center, and our whole body is incredibly smart and powerful when all parts working together.

## I AM WHAT I EAT

Later in February, we continued to learn about our body factory "fuel". We learned what food helps our bodies to grow 🍌 🍎 🥕 and what makes us harm 🍷 🍔 🍕. We even went for shopping 🛒 and then we chopped, and stirred, and mixed to become little chefs 👩🍳 and to cook our very first meals 🍲.

## FAMOUS LOVE STORIES

Love ❤️ was in the air all week long and we celebrated it in a big style 🎉! We explored some of the most famous love stories from the past and present, sparking discussions and creative activities. True highlight was a Valentine carnival full of costumes 🎭, fun 🥳 and love ❤️ which was a beautiful reminder that love, kindness, and friendship are always worth celebrating.

### WE SPY TEACHERS: What is your favourite valentine movie?

**Hilal (HP):** My favourite one is "The Museum of Innocence". I absolutely love it, but you should be ready to cry after.

**Romi (KOL):** "The notebook".

**Tami (HP):** "10 things I hate about you".

**Miška P. (KOL):** "Definitely, Maybe, or Isn't It Romantic". I prefer romantic comedies

over sappy love stories.

**Edi (SM):** I don't like romantic films.

**Veve (MD):** Call me a millennial but I love "Pearl Harbour"... love, drama, betrayal, war....This movie has it all.

## GREAT LEGENDS

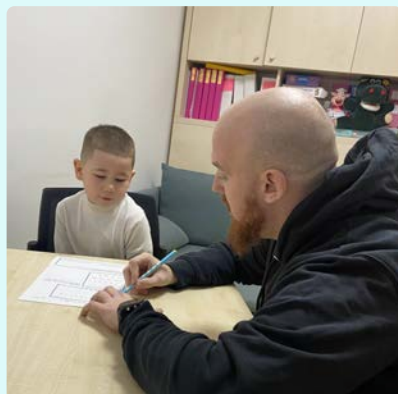

At the end of February, we started our journey to past. For a while, children travelled back to times of kings, knights and princesses 👑. We welcomed a visit of knight Gaston 🏹 who introduced everyday life in medieval days 🏰.

## Y1 SPECIAL

At the beginning of February, our Year 1 children managed 🍌 their very first "school" tests 📝. We welcomed Y2 teachers from Cambridge and psychologist Katka to check on "being ready" for school. We were happy to share children's progress with parents at the Coffee afternoons ☕.
