JUNE 2026

BEING SMALL is FUN

The Kindergarten Kids' Day celebration 🇬🇧 was bursting with laughter, energy, and pure fun from start to finish! The children bounced high in the jumping castle 🏰 like little rockets, squealing with joy as they landed and sprang up again. Sweet cotton candy 🍭 made everything feel extra magical, with sticky smiles and happy faces everywhere. There was so much excitement as the kids explored new toys 🧸 from different classes - each discovery turning into a new game, a new idea, or a new adventure with friends. The whole day felt like a colourful playground of imagination, teamwork, and nonstop giggles 😄.

WE SPY TEACHERS:

What is the silliest thing you believed as a child that makes you smile now?

Miška (SM): Believing that if you accidentally swallow a fruit seed, a tree will grow in your stomach.

Erika (HP): I believed that if I jump high enough on the bed, I'll start flying. 🤪

Radka (MD): That apparently spinach will make me strong & healthy....not working though 🤪

Ivanka (SM): I thought teachers lived at school.

Miška J.(KOL): I used to believe it was possible to jump on the clouds.

Tami (HP): I believed that when you step on the bug it releases some chemicals into the air and they create rain.

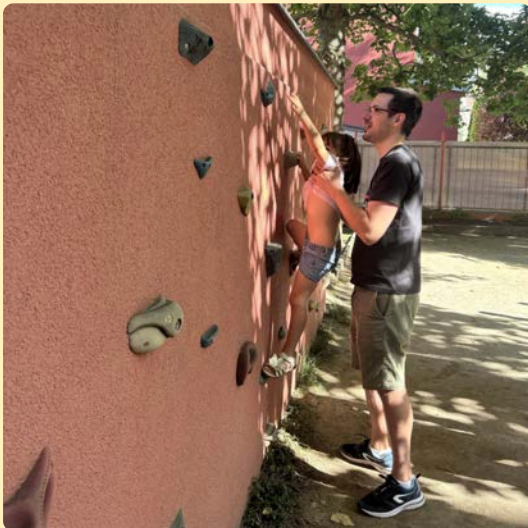

Miška K. (KOL): I believed there are monsters living under my bed so every time I went to sleep, I had to check it.

Kika (SM): When I close my eyes, nobody can see me.

DAD the SUPERHERO

They are here to kiss our boo-boos, give us the warmest hugs, teach us how to ride a bike, and show us how to have the best fun... They are our super dads 🧑🏻!

To say a big "thank you" for everything they do, we celebrated Father's Day in a special way - with songs 🎵, handmade gifts 🎁, and fun, active workshops 🏃. We hope all the dads enjoyed this special celebration and felt just how much they are loved and appreciated by their children ❤️

DIGITAL WORLD

Lights, camera... action! 🎬 Digital World came to life in the most exciting way! Our little tech explorers discovered that technology is much more than screens 📺 - it's a way to create, learn, and share ideas. The highlight of our project was making our very own class video 🎥, where we became real stars in front of the camera (with plenty of giggles along the way!). Meanwhile, our Year 1 pupils took part in a Digital 📺 Safety Workshop 🔍, learning how to make smart choices online, stay safe, and be kind digital citizens.

WE SPY KIDS: What is a DIGITAL world?

YEAR 1

Esther (Meerkats MD): That you have a computer or TV or phone or headphones.

Julianka (Turtles KOL): Electronic devices.

Riško (Lemurs HP): A computer and playstation five and I play there Minecraft, and a Nintendo.

Sofiia (Hedgies SM): To play some games and watch the tablet.

RECEPTION

Lucas (Bunnies HP): Electric stuff like i-Pad.

Adam J. (Ladybugs SM): Because that is doing on the wind so we can have batteries on the phone, the windmills are doing that for the people

Lina (Otters KOL): Computer, phone.

Zoey (Capybaras MD): My mommy is using phone.

NURSERYBrunko (Puffins HP): We can watch TV.

Jose (Quokkas KOL): Computer.

Vera (Shrimps MD): Phones. For working.

MATHS around US

Shapes and numbers everywhere, math 🧮 is fun when we all share. During math week, our kids seeked and searched for math in the world 🌍! Numbers and shapes hid in corners, nooks and crannies - just waiting to be found by our talented scavengers. Knowledge and learning about world was the true treasure 🏠 we all found.

YEAR 1 SPECIAL

The kindergarten graduation 🎓 for Year 1 was a happy, slightly emotional, and very exciting celebration 🎉 as the children got ready to head off to school 🏠. On the big day,

they shone on stage like stars, proudly showing their performance to their families. There was lots of clapping, smiling, and proud waving as everyone celebrated how far they had come 🌈. It was a fun, joyful goodbye to kindergarten and a big, exciting hello to school life ahead.

Adventure, laughter, and unforgettable memories. Summer Camp 🏕️ was an unforgettable adventure for our Year 1 children to learn survival skills 🆘! Over three exciting days, we enjoyed fun games, outdoor adventures 🌲 🗺️ 🪖. We challenged ourselves, worked as a team, and made wonderful memories along the way. As the sun set, we gathered around the campfire 🔥 to sing our favourite songs, share stories, and roast marshmallows under the evening sky. Every moment was filled with friendship, confidence, and smiles, making this year's summer camp 🏕️ a truly special experience that we will remember for years.
